154th Annual Meeting Minutes
October 23, 2014
Monaghan Baptist Church

- Presentation of music by Rev. Danny Culbertson and the Monaghan Church Band.
- Moderator, Rev. Bryan Cox, pastor of New Hope, called the 154th Annual Meeting to order.
- Rev. Tom Rushing, pastor Deaf First, read Matthew 28:18-20 and had prayer.
- Rev. Barry Dilworth, pastor Monaghan, welcomed everyone.
- Verla Bennie, Clerk of GBA, member Mauldin First, read the following motion of organization, "I move that the messengers presently registered and those who are still to register constitute a quorum for conducting the 154th Annual Meeting of the Greenville Baptist Association." The motion was seconded and approved.
- Rev. Danny Culbertson, minister of music, Monaghan, presented motion to accept the agenda. This was seconded and approved.
- Moderator, Rev. Bryan Cox, recognized the following visitors: Randy Creamer of South Carolina Baptist Convention Disaster Relief; Bob Deaton of Baptist Foundation of South Carolina; Matt Thomas, director of Camp Marietta; Chris Rondeau of Man in the Mirror Ministries; and Dr. Bob Kline of Anderson University.
- Moderator, Rev. Bryan Cox, brought the following to the platform and recognized as new pastors in our association: Fred Garner of Riverview and Deane Harrison of Rockvale.
- Rev. Stephen Miller, Pendleton Street, let the congregation in music.
- Rev. Danny Culbertson gave the Annual Meeting and Worship Committee Report, giving appreciation to Monaghan Baptist for hosting this year's meeting. Called for question, voted in favor to adopt report.
- Rev. Daniel Lee, Bethel, presented Church Relations Committee report. There are three (3) churches seeking partnership with Greenville Baptist Association. Capstone – motion presented, question called, voted to accept into Association. Oak Point Church – motion presented, question called, voted to accept into Association. Heritage Church – motion presented to accept into Watchcare until 2015, question called, voted to accept into watchcare. Rev. Lee referred to page 24 of the annual meeting booklet with the status that GBA must be doing something right since our percentage of new starts is higher than the national average over the last 10 years! Rev. Lee is rotating off this committee but made a strong statement that he believes in the Cooperative Program and Greenville Baptist Association. Missions begins at home.
- Moderator, Rev. Bryan Cox, welcomed the pastors of the three (3) new churches.
- Rev. Danny Burnley, Laurel, presented Committee on Nominations Report. Everyone who was asked to serve agreed and the committee only had to meet one time! Question called, voted to accept report.
- Rev. Joel Thrasher, GBA staff, presented the Finance Committee Report. In April 2014 and extra payment of \$49,000 was paid on the building loan. It is planned to make at least one extra payment per year. Nothing from the rent of the building is applied to the work of GBA. Budget is presented in the booklet on pages 26-28. There is a 2% cost of living increase. There is a decrease in the line item of salary due to Melissa Samples working just a few hours per week. Staff support benefits is a 5% increase over last year's budget due to actual costs of benefits. The plan of NAMB to phase out support over a 5-year period shows 2015 is year three (3). The challenge to churches is to financially support GBA. Question called, voted to accept the 2015 budget.

- Mr. Jack Dill, member Northgate, presented the Property Committee report. There is a good working relationship with the Greenville Dialysis and GBA. The expenses have been kept to a minimum this year. The tenant shared the cost of having the shrubs and trees trimmed by the retainer wall. Motion to accept the report, question called and voted to accept report.
- Miscellaneous business – short video from D.J. Horton, president of the South Carolina Baptist Annual Convention.
- Rev. Robbie Sox, Brushy Creek, led congregational singing.
- Rev. Eddie Howard, Hillside, presented the DOM Search Committee report. Proverbs 16:9 – keep your eyes fixed in the right direction. The team has met, prayed and struggled. The intent is not to just find a person but to find God’s man for the position. They are still looking, still asking and will continue to work. The team asked and needs desperately everyone to continue to pray and ask God to speak to that person as well.
- Rev. Dan Messer, GBA staff, reported on the Hispanic ministry of the Association. In the ministries overall there is a weekly average attendance of 325 with 33 baptisms this year and one (1) ordination. Rev. Messer presented the pastors of each Hispanic church including Christ the Open Door Church which is ministering to people from Guatemala. Greenville has the largest percentage of Hispanics in South Carolina. Truly the harvest is plenty but the workers are few. Rev. Messer led in prayer to multiply and bless them.
- Rev. Joel Thrasher gave update on GBA. “How’s it going?” has been frequently asked. It’s going well. Have a great staff who love Jesus, know their jobs and do them well. It’s not been without challenges – Camp Marietta had a problem with DHEC and a well. Only one major church conflict this year – so far! The Lord is working through it. Things are going well due to volunteers. Things are going well during a year of transition and moving forward. Things are going well because of churches. The ACP shows 699 baptisms last year and 730 this year so far (30 churches not responded yet). The staff prays for specific churches each week.
- Joel then thanked Bryan Cox for his serving as Moderator this past year. Bryan has a heart for pastors. Joel then presented Bryan with an engraved gavel in appreciation for his service.
- Bryan Cox thanked everyone for their reports.
- Robbie Sox led the congregational singing.
- New officers were presented, Benny Littlejohn, moderator; Jerry Zapata, vice moderator; Verla Bennie, clerk; Wanda Bridwell, historian.
- Dr. Benny Littlejohn, Eastlan, closed the meeting with prayer.

Respectfully submitted,
 Verla Bennie
 GBA Clerk

Interim Report

Webster defines interim as “a period of time between events.” Or, in our case, between persons. It has been my privilege to serve as the Interim Director this year. Allow me to share some thoughts and observations.

1. You have a great staff! In times past, when we experienced staff reductions, I have seen them step up and assume more responsibilities. This time has been no different. Wanda, Karen, Dan and Melissa continue to effectively serve the churches. Churches for whom they deeply care. Something we have done this year is intentionally pray for our churches during staff meetings. We have asked for prayer requests/praises and taken them seriously. Every church has been specifically prayed for. It brings me joy to count the staff not only as colleagues, but family.
2. Bryan Cox has served well as Moderator. He has also taken on some responsibilities not normally associated with that role. Early in the year, Bryan expressed concern over fellowship among ministers. What resulted from our conversations were the regional ministers’ fellowships. Basically, we divided the Association into eight geographical groups. Each group has had a fellowship opportunity. There have been no agendas, other than small group fellowship, conversation and prayer. I deeply appreciate Bryan and his service as our Moderator during this interim time.
3. Committees! I know...committees sometimes have a bad reputation. Sometimes that reputation is well deserved. That is not true of GBA. Ours have functioned smoothly. I can honestly say that I am thankful for the men and women who serve on the various committees and help to move GBA forward.
4. Of course, the Association would not exist were it not for the churches. We are a large Association with 114 congregations. We are a diverse Association in language, structure, worship style and more. We have large churches, small churches and everything in between. We have churches that are actively involved in GBA, and some who aren’t. We have churches that faithfully support GBA financially, and some who haven’t contributed a penny in years. We have growing churches, plateaued churches, and dying churches. Thankfully, there has only been one significant church conflict this year of which I am aware. We also have fewer than normal churches without pastors. We desire to see every church functioning as a vital, disciple-making, body of Christ followers.

Many years ago, I was told that the churches are both the owners and clients of the Association. That remains true today. We are here to resource and serve the churches. We are your mission partner!

Grace and peace,

Joel Thrasher

Missions Strategy 2014

Revelation 7:9: “After this I looked, and there before me was a great multitude that no one could count, from every nation, tribe, people and language, standing before the Lamb...” He looked. He saw the great, ethnically diverse multitude. Who do you see when you look around?

We know of around 87 nationalities, speaking 39 languages, living in Greenville County. Best guess is that somewhere around 4,000 – 6,000 Arabs are here. Over 3,000 Asian Indians, 4,500 Deaf, 8,000 French, and 1,500 Japanese. Then there is our Hispanic population that continues to see rapid growth. And the list goes on and on. Did you know about the Hindu center in Mauldin? Did you know about the Islamic Masjids on Wade Hampton Boulevard, East North Street and Pete Hollis Boulevard? Did you know that the IMB lists Greenville as one of the top 100 most ethnically diverse areas in America?

Local

Church Planting must be an important part of what we do to transform the changing populations in Greenville County. There are currently 19 church plants in the GBA! 13 are language congregations. ***Hispanic Ministries*** are needed more than ever with our rapidly growing Hispanic communities. One new Hispanic church plant was started this year and two new Hispanic Bible Studies. Dan Messer provides excellent leadership to this ministry. With our increasing ethnicity, with our local church involvement lower than it was 25 years ago, with the increasingly irreligious neighbors around us, we must be planting new churches!

Mission Greenville This year we partnered with an organization called *Mission Serve* as part of our *Mission Greenville* ministry. Edwards Road church does a great job of housing the participants and hosting the project. Seven host churches fed the crews. The partnership with the City remained strong. We are also excited that Greenville County is a partner with us now. Approximately 70 participants from three churches were involved. The crews completed seven roofs. Thanks to all those who are involved in this ministry. The 2015 dates are: June 21–27.

Day Camp for Deaf Children continues to make a difference in the lives of the campers, staff and families. The involvement of our deaf adults is a huge plus. We had 11 campers and nine volunteers. Brushy Creek hosted the camp. Day Camp returns on June 15–19, 2015.

Crisis Centers: Eastside, Westside, and Golden Strip Emergency Relief. The centers are staffed by more than 2,000 volunteers from 30+ churches. Spencer LeGrand continues to provide effective leadership for the Eastside Center. The same can be said of Jim Barnette at the Westside Center. The Golden Strip Center is a partnership with the Golden Strip Emergency Relief and Resource Agency coordinated by Julia Bayne. Food is provided by churches, groups, and individuals as well as purchased from various locations. The centers spent \$24,434 on food. We received \$7,175 from the World Hunger Offering to assist the centers. Even though the economy is rebounding, the centers assisted 7,310 families (19,460 individuals) with basic needs including food, clothing and financial aid this past year (September 2013–August 2014). Thanks to all who make these ministries possible.

Multihousing ministries are nothing new to Greenville. For years, there have been churches and teams doing a wide variety of ministries primarily in low-income communities. That will continue as churches have a passion for impacting those communities. We continue to be supportive of **Apartment Life** and **CARES Teams**. More and more congregations are also seeing multihousing communities as serious mission fields in our own backyards. With over a third of our population living in some kind of multihousing, we must!

Woman's Missionary Union continues to provide valuable training, encouragement and ministry opportunities for our churches. I don't know what we would do without the faithful WMU missionaries in the Association and churches. Marcie Malone, from Mauldin First Church, serves as the Director.

Thirty-eight churches provided 1,408 **prisoner packets** for Christmas. Thanks to Pat Bradshaw from West Gantt FBC and other volunteers for all your help. Others helped Chaplain Andy Cooper at Perry distribute the packets to all the inmates there. Prison ministry is not just about Christmas packets. There are other volunteers in our churches who are actively involved in ministry with inmates, families of inmates as well as those who work within the correctional system. Multiple churches provided useful items such as paper goods, personal care items, health care items, school supplies and clothing for numerous agencies and organizations within the Greenville area. Sixteen churches provided 311 **ministry kits**. Thanks to all who prayed, gave and worked on these projects.

Baptist Collegiate Ministries is an important outreach and discipleship arm of our churches to college students. Ryan Brooks serves as the part-time Campus Minister at Furman. Shenita Frazier and Brian Bowman do a great job working with the students at Greenville Tech. Their reports are listed elsewhere.

Regional/National

Disaster Relief volunteers were on the road again. Our Disaster Relief coordinator is Jim Whitworth, from Origins church. Our Mud-Out unit was in Florida, and also much closer to home. With all the local flooding this summer, volunteers responded to needs in the Pelham Road area. Jim continues to serve effectively as President of the local **VOAD** (Voluntary Organizations Active in Disaster) organization.

We are committed to maintaining a partnership through **Appalachian Regional Ministries**. However, that partnership is in the process of being re-evaluated. We are also beginning to explore new opportunities related to church planting in **Hartford, Connecticut**. Stay tuned for more information.

Global

We continue to seek opportunities to make a global impact. Our partnership in **Honduras** is in its third year and saw one team go there this summer. Mission team members came from Brushy Creek and Origins. It was our smallest team, with four members, yet much work was done. We committed to assisting **Jesus the Grace of God Church** as they construct their first building. During our week there, we worked with them to finish the exterior walls so they can begin work on the roof. We plan to return there next year. Those dates are July 24–31.

Missions Strategy relates to New Work, Hispanic Outreach, Mission Partnerships, Community Ministries, Summer Ministries, Demographics, WMU, Men's Ministries, Baptist Collegiate Ministries, Multihousing Ministry and a few other things. I am so thankful for Wanda Bridwell who tries to keep us straight as Missions Strategy Assistant.

Times of transition can be fearful and stressful. They can cause us to slow down. They can also be times of renewed energy and excitement. We can embrace it and move forward. We must! So, we move forward as we believe God is leading. We move forward knowing that the top 25 most unreached areas of the Upstate are all in Greenville County; that the most unreached zip code in the state is 29601; that at least 70% of our entire population is unreached and that 40% of our population is not only unreached, but uninterested. This is no time for fear. We must move on!

Hispanic Annual Report – 2014

This past year has seen the Lord bless the Hispanic Ministry. There was one new Hispanic church plant that began: Iglesia Bautista Hispana La Roca (2014). Two new Hispanic Bible studies began: Mauldin First (May 2014) and Simpsonville First (June 2014). The past year had an average attendance for worship of 306 and 33 baptisms within our Hispanic works. The Annual Evangelism and Mission Conference held at White Oak Conference Center had nearly 800 in attendance from four different states. As the Hispanic population grows there is a tremendous need for Hispanic leaders. The words of Jesus in Matthew 9:37-38 ring loud today: “The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send our laborers into His harvest.”

Continue to lift up our Hispanic pastors and their congregations. Our Hispanic pastors are: Jerry Zapata—Iglesia, Ernesto Chaparro—Berea Heights, Felipe Hernandez—Cristo la Puerta Abierta, Elmer Rivera—Cherrydale and Mauldin First, Carlos Ruiz—Brushy Creek, Carlos Galarza—Laurel, Maciel Marquez—Rocky Creek, Greg Somers—La Roca, Rafael Jauregui—Simpsonville First, and Samuel Kioko—SonPoint.

Baptist Collegiate Ministries

Furman University

The 2013—2014 school year brought us a strong foundation for the future. While the nature of the evangelical landscape continues to recede, Furman continues to develop seasoned leaders that God is using to accomplish His purposes. In fact, it is largely due to the climate of persecution at Furman, that God grows mature leaders capable of withstanding the host of challenges that Furman presents.

This year, our Bible study on Monday nights focused on the basics of the Gospel. Likewise, our theme was *Serving Campus and Serving Community*. Each month, we attempted to serve the campus through various means like offering free Starbucks coffee during study days. Likewise, our group partnered with the Berea House to assist with tutoring and life skills of underprivileged children.

One of our students was able to serve as a summer missionary with the South Carolina Baptist Convention. She served for a week with a disaster relief team of college students that worked in Staten Island, New York.

We were able to have meaningful church partnership by asking local churches to provide our weekly meal. Each week, we were able to introduce a local church to our students. Thankfully, most of our students did and have connected with local churches.

Though our group continues to be small (15-25), a majority of the active group were from the freshmen class. This is helping us build a strong foundation for further growth coming into the 2014—2015 academic year. Continuing our theme, we hope to deepen our connections and ministry on campus and our partnership with Berea House.

This school year also marked the beginning of my second year as Furman BCM Director.

Ryan Brooks

Minister of College and Young Singles at Taylors First Baptist Church

BCM Director at Furman University

The 2013—2014 year for BCM was very interesting. Our campus minister for the past several years, Tabitha Hallman had to leave us. Although it was hard to see her leave the Lord blessed us with Brian Bowman, youth pastor of Kingdom Life Christian Center. This was very exciting for me because the Lord had also given me the responsibility of being student president for BCM and the opportunity to grow in the Word of God, by teaching the Word to students on campus. I was actually spiritually stretched this past fall semester. Brian and I decided we would choose a book for each semester. This was my first time ever teaching in a small group. I chose to teach the five powerful chapters of 1 John and Brian taught the book of Romans in the spring. We had an average of 15 faithful students attending every week in the afternoon; during the evening dorm Bible study there were at least 20 students attending. Every week before Bible study we walk the campus, meet people, pray with them, and invite them to join us for lunch and Bible study. There are many who can't make it or just are not comfortable with coming. So we redeem the time by passing out gospel tracks, sharing the gospel, and reassure them that we are here if they ever need someone to talk to or pray with. Due to reduction of funds we really didn't have it in our budget to do any major events on campus, but during final exam week we (afternoon and evening Bible study) were invited by another youth pastor to have fellowship, Bar-B-Q and study of the Word around a bonfire at his house. We also were blessed by two churches this semester. Cross Roads Baptist Church (Five Forks area) and First Baptist in Fountain Inn helped with lunches. This year BCM has been praying for salvations, student leaders and disciples. We have developed friendships and a new group of people. By the will of God TOGETHER we are all growing more in the Word of God and the grace of our Lord and Savior Jesus Christ. Please keep us in your prayers.

In Christ,
Shenita Frazier

Colossians 1:9-10 ⁹And so, from the day we heard, we have not ceased to pray for you, asking that you may be filled with the knowledge of his will in all spiritual wisdom and understanding, ¹⁰so as to walk in a manner worthy of the Lord, fully pleasing to him, bearing fruit in every good work and increasing in the knowledge of God.

WOMAN'S MISSIONARY UNION
Auxiliary of Greenville Baptist Association
2013-2014 Director's Report

"The Story Lives On"

We spent this year continuing the celebration of the 125 years of Woman's Missionary Union from its establishment in 1888 and through its growth across the years – not just in numbers of individual members and organizations- but also the development of our missional objectives. These growth features give us reason for celebrating and still advocating the premise that missions education and missions involvement are vital for Christians. Our watchword, "As for us, we cannot help speaking about what we have seen and heard." continues to be a challenge, even as we move into a new emphasis period.

Woman's Missionary Union always champions the Season of Prayer for State Missions and the Janie Chapman Offering in our churches. Due to changes in North American Mission Board policies, we believe that emphasis on supporting our South Carolina and associational missions personnel and being involved is very important to missions in our state.

On Saturday, October 5, happy voices of about 440 GA's, former GA's, future GA's, and "wanna be" GA's rang through the hall of First Baptist Church-Mauldin. The occasion was the Upstate South Carolina celebration of the 100th birthday of GA's (Girls Auxiliary and Girls in Action). Praises for past years and prayers for the future were lifted in support of these organizations for young girls.

October 24, several members of our Leadership Team participated in the retirement reception at First Baptist Simpsonville for Dr. Ron Davis, former Director of Missions. They later attended the 153rd Annual Meeting of Greenville Baptist Association. The Area Directors had contacted church WMU leaders to encourage local church attendance for both events.

Our team sponsored a WorldCraft party on October 10 at Northgate Church. Proceeds from all purchases go to support national Woman's Missionary Union involvement in providing fair-trade wages and support to trades people in impoverished areas, thus expanding the fight against human trafficking.

November 4 and 5 marked the dates for Baptist Women around the world to pray together for women everywhere and for the advancement of Christ's Kingdom. Clear Springs, Edwards Road, Parisview, West Gantt First, and Woodside Churches hosted five meetings in our Association: 168 attended and \$539.61 was forwarded to the Women's Department of the World Baptist Alliance to support women's work worldwide.

We participated in the sending of Prisoner Christmas Packets to Columbia for distribution throughout the South Carolina Correctional facilities. We publicized the project and led local churches to support this annual South Carolina activity, and then assisted in checking 1,550 packets collected at the Greenville Baptist Association Office.

Monaghan Church Women on Mission hosted our “Days of Our Lives” Annual Focus on WMU Dinner on February 13 with 241 attending. Kimberly Sowell, author and speaker of Kingdom Heart Ministries in Lancaster gave us many heart-stirring thoughts about our part in the story of Christ and His Kingdom work. Our 125th WMU Anniversary commemoration quilt, made up of squares provided by WMU organizations of Greenville Association, was presented and dedicated. This beautiful quilt will travel to the various churches that participated and eventually placed for permanent display.

March 21–22, four of our Leadership Team attended the SC WMU Missions Encounter and Annual Meeting at Calvary Church in Florence. Rosalie Hunt, author, historian, and recording secretary of WMU SBC, and Debby Ackerman, president of WMU SBC, portrayed early leaders in the formation of Woman’s Missionary Union SBC and SC WMU. Personal stories by North American and International Mission Board missionaries, regarding WMU influence on their lives, reminded us of our own responsibilities to influence lives.

On April 24, 85 ladies and helpers were welcomed and hosted by Women on Mission members at Simpsonville First Church for the Annual Spring Meeting of our Auxiliary. Lorie Spann, a former missionary kid and a missions volunteer, spoke on WMU influencing her family’s missionary lives earlier and now. Wanda Morris, representative and former president of SC WMU, spoke on WMU objectives. A “Triple A” certificate of accomplishment was presented to Northgate Church, with Nancy Stephens accepting.

On Saturday, May 31, our first myMission Spa Day was held at Woodside Church with approximately 48 participating. The day was an enlistment event directed to younger women of local churches, possible prospects for a new WMU organization. Other events will be held in 2015.

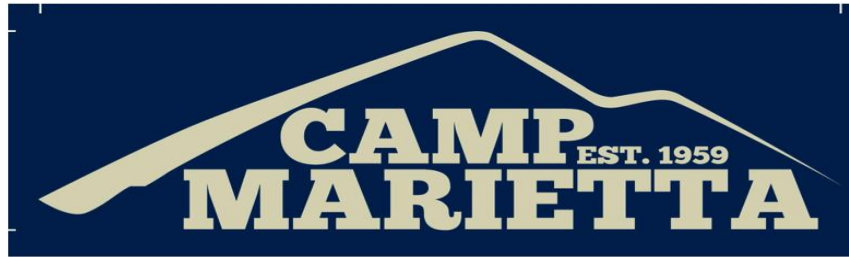

Two of our team members participated in a mission trip to Jamaica to assist Dr. and Mrs. Vincent Fletcher with Vacation Bible School and training at Refuge Baptist Church of Duncan. Another trip is already in the planning stage.

Five members attended the August 23 Mprove Church WMU Leadership Training session at Irmo First Church.

The Greenville Auxiliary held its annual Church WMU Leadership Training on August 28 at Northgate Church. After a box supper, 56 attended the age-level conferences.

Throughout the year, our Leadership Team had ongoing contact with local churches in support of ongoing and upcoming associational and state missions activities. One of our purposes is to give support and assistance to Woman’s Missionary organizations in our churches. We plan to visit with these groups and church staff members during the coming year to offer our help and express our appreciation for their support. The special events we sponsor could not be possible without their help. Also, we appreciate very much the staff at the Greenville Baptist Association Office. Their assistance and support is valuable to our team and our tasks. We look forward to our all working together in the new year under our new emphasis ALL FOR YOU: Surrender, Sacrifice, Serve and the challenge from Mark 8:34, “Then He called the crowd to Him along with His disciples and said: ‘Whoever wants to be my disciple must deny themselves and take up their cross and follow me.’ “

Property Committee

Thankfully, the renovated facility continues to function well for the Association office. Our lease agreements with American Renal Associates remain in place, and there is a good working relationship between the staff at Greenville Dialysis and the Association.

As with any property, ongoing maintenance and upkeep are necessary. Other than routine items, the trees and shrubs along the retainer wall did have to be professionally trimmed and pruned this summer.

There are no significant issues, or motions to bring to you with this report.
