

# NORTH GREENVILLE UNIVERSITY ANNUAL CHURCH FAIR!!!

**When:** Monday Aug 24<sup>th</sup>

**Where:** North Greenville University – Field outside the Chick Fil A

**What:** The NGU Church fair exist to connect students with the local church or ministry, as well as to gift students with a “freebie” that will bless them as they start the school year.

**Why:** Acts 20:28 “Pay careful attention to yourselves and to all the flock, in which the Holy Spirit has made you overseers, to care for the church of God, which he obtained with his own blood.”

## Details:

- **Times:**

- Set up: 4-5pm
- Start: 5pm
- Finish: 7pm

- **Attire:**

- Please come wearing your particular ministry’s t-shirt. We want your ministry to be highly visible.
- If possible wear a name tag too.

- **Bring:**

- Table, chair, and signage!
- Canopy (or) Tent
- Promotional material, signup sheets, business cards, etc...
- Freebie (A small gift for the students)

- **Freebie ideas:**

- Toilet Paper
- Ramen Noodles
- Pens and Pencils
- Little Debbie Cakes – individually wrapped
- Bags of un-popped popcorn – microwavable only
- Hand Sanitizer
- Tote Bag
- Use your creativity – this is where your ministry can really express themselves

- **COVID-19 precautionary measures:**

- Please bring both masks and gloves to this event. Neither masks nor gloves will be provided, but they are required for this event.
- All food must be individually wrapped.
- Social distancing practices will be in place for this event. Please help us serve one another in this way.
- All NGU visitors are welcome on campus; however, we ask that you review NGU’s official website and understand the parameters of “voluntary association.” I (Joshua Gilmore) will come around and ask ministry participants to sign a short form during set up (between 4-5pm) that explains this agreement.

- **Expected Attendance:**

- Last year over 700 students attended the event despite a “mini thunderstorm” that quickly rolled through – I would have at least 300 “freebies” on hand to distribute, as hundreds of college students will likely visit your table.
- COVID-19 has changed things, but we expect that our students will continue to enthusiastically participate in this event.
